mhal52(07:01:29 (UTC)):I checked out how long the drive would be from her college to my house
mhal52(07:01:34 (UTC)):around 4/4 and a half hours
meatmarketman@rocketmail.com(07:02:36 (UTC)):Ahhhh, well in that case just keep her well trussed and gagged as well as naked in the boot of the car (Sorry - trunk!)
mhal52(07:03:03 (UTC)):yeah just an option
mhal52(07:03:25 (UTC)):just trying to brainstorm ideas for the abductin
mhal52(07:03:31 (UTC)):abduction
meatmarketman@rocketmail.com(07:05:37 (UTC)):Not a bad idea but we'd possibly be overcome ourselves if we tried keeping her unconscoius in the car! Feeling sleepy on the road is NEVER a good idea especially if you are transporting a meat girl across state lines........
mhal52(07:07:07 (UTC)):yeah which is why i was trying to figure a way to keep her unconscious the whole way
mhal52(07:07:57 (UTC)):She is going to the University of Maryland where I believe she will be playing softball
meatmarketman@rocketmail.com(07:08:42 (UTC)):So knock her out with a baseball bat....... Poetic justice in there somewhere!
meatmarketman@rocketmail.com(07:10:55 (UTC)):fraid I gotta go to work now! Have a great one and catch up soon.
mhal52(07:11:27 (UTC)):ok sounds good take care
